## SWIMMING POOL

---

**BASIS** No person shall operate any Type A or Type C swimming pool in the city without a license. Type B swimming pools are located on private property for family members and their invited non-paying guests and are not required to be licensed.

Type A Used by numbers of persons for swimming or bathing, regardless of fee requirement.  
Type B Swimming pool located on private property under control of the homeowner for family members and invited non-paying guests. Not required to be licensed unless it is used for persons other than homeowner or non-paying invited guests - then same as Type A.  
Type C Swimming pool intended for use by occupants and invited guests of a permanent residence facility, e.g., apartment house, condominium, residential club and housing complex, or temporary residence facility such as hotel, motel, camp, school, college, university, or hospital.

### LEGAL

**REFERENCE** Chapter 7.72, Code of the City of Wichita, Kansas.

**REGULATIONS** The owner of the swimming pool shall name a manager, over 21 years of age, who shall be responsible for the pool. The health officer shall be notified of the name, address and phone number of the manager and of any change in managers.

If a charge or membership fee is charged for admittance, a lifeguard must be in attendance. If a lifeguard does not need to be in attendance a sign must be posted stating there is no lifeguard on duty.

A testing kit for measuring the concentration of disinfectant shall be provided at each swimming pool.

Three copies of the plans and specifications shall be submitted for review before construction of a new swimming pool.

The manager shall keep a daily record of pool conditions.

Only 1 license is required per address even if there is more than 1 pool.
